

Resources: Win-Win Strategies ECHO: Helping Job Seekers with a History of Harmful Substance Use Find and Keep Jobs

July 24th - August 21st, 2024

The following resources, arranged by session topic, were provided by speakers, panelists and/or participants during this ECHO series. While most of these resources are based in NH, with some in VT or national, similar programs and services can likely be identified in other States so hopefully are relevant more broadly. These resources were provided during the time period of the ECHO and over time may become outdated.
